

# Funding Rate Sheet

**Program Funding: Work with your case manager to set this up.**

**Interact bills a daily rate for service (S5102 code)—at \$86.84 per day or higher. Interact requires 3-5 days attendance per week.**

Interact Center is licensed by the Minnesota Department of Human Services, through a contract with Hennepin County. Artists attending Interact Center work with a case manager, who develops a service agreement that authorizes payment for our services.

**If you do not have a case manager, call the county where you live and ask for a social services intake.**

**Typical funding options include:**

- CADI, CAC, DD, EW, or TBI HCBS waivers
- Direct contracts with counties
- Fiscal entities which coordinate CDCS contracts

**Transportation to and from Interact Center:**

Artists use a variety of transportation options, depending on their proximity and independence. Metro Mobility and Metro Bus System are two common systems.

**Direct questions regarding fees, billing, or service agreements to:**
